Energy Conservation Program: Energy Conservation Standards for Residential Clothes Washers, Webinar and Availability of the Preliminary Technical Support Document

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy.

ACTION: Extension of public comment period.

SUMMARY: The U.S. Department of Energy (“DOE”) is extending the public comment period for the preliminary analysis regarding proposals to amend the energy conservation standards for residential clothes washers. DOE published the notification of a webinar and availability of preliminary technical support document in the *Federal Register* on September 29, 2021, establishing a 75-day public comment period ending December 13, 2021. On October 11, 2021, DOE received a comment requesting extension of the comment period by an additional 64 days to February 15, 2022. DOE is extending the public comment period for submitting comments and data on the preliminary analysis documents by an additional 45 days, to January 27, 2022, for a total of a 120-day comment period.

DATES: The comment period for the preliminary analysis published on September 29, 2021 (86 FR 53886), is extended. DOE will accept comments, data, and information regarding this preliminary analysis no later than January 27, 2022.

ADDRESSES: Interested persons are encouraged to submit comments using the Federal eRulemaking Portal at *www.regulations.gov*. Follow the instructions for submitting comments. Alternatively, interested persons may submit comments by email to the following address: *ConsumerClothesWasher2017STD0014@ee.doe.gov*. Include the docket number EERE-2017-BT-STD-0014 and/or RIN number 1904-AD98 in the subject line of the message. Submit electronic comments in WordPerfect, Microsoft Word, PDF, or ASCII file format, and avoid the use of special characters or any form of encryption.

Although DOE has routinely accepted public comment submissions through a variety of mechanisms, including postal mail and hand delivery/courier, the Department has found it necessary to make temporary modifications to the comment submission process in light of the ongoing corona virus (COVID-19) pandemic. DOE is currently accepting only electronic submissions at this time. If a commenter finds that this change poses an undue hardship, please contact Appliance Standards Program staff at (202) 586-1445 to discuss the need for alternative arrangements. Once the COVID-19 pandemic health emergency is resolved, DOE anticipates resuming all of its regular options for public comment submission, including postal mail and hand delivery/courier.

No telefacsimilies (faxes) will be accepted.

Docket: The docket for this activity, which includes *Federal Register* notices, comments, and other supporting documents/materials, is available for review at *www.regulations.gov*. All documents in the docket are listed in the *www.regulations.gov*

SUPPLEMENTARY INFORMATION: On September 29, 2021, DOE published the notification of a webinar and availability of preliminary technical support document in the *Federal Register* soliciting public comment on its proposed amendments to the energy conservation standards for residential clothes washers. 86 FR 53886. Comments were originally due on December 13, 2021. On October 11, 2021, DOE received a comment from the Association of Home Appliance Manufacturers to extend the comment period by an additional 64 days to February 15, 2022.¹

¹ DOE has posted this comment to the docket at www.regulations.gov/comment/EERE-2016-BT-TP-0011-0020.

DOE has reviewed the request and considered the benefit to stakeholders in providing additional time to review the preliminary analysis and gather information/data that DOE is seeking. Accordingly, DOE has determined that an extension of the comment period is appropriate and is hereby extending the comment period by an additional 45 days to January 27, 2022 for a total of a 120 day comment period.
